Hendersonville Knights Football Tryouts

July 16 - 9 AM - JPII High School

Last year the Knights football teams won 80% of their games, including two major bowl games, and outscored opponents 543-182. But teaching kids to be great football players and winning were not the program's most important accomplishments. - It was developing players spiritually utilizing Christian values and teaching them life lessons.

Our winning and teaching starts with evaluating the players at tryouts. We are looking not just for hard working athletes, but also team players that want to listen, learn and improve their game.

We are expanding our program to ages 7 through 14 years-old. Age groups will be:

- 7/8 year-olds (Head Coach Randy Puckett: rpuckett@financialguide.com)
- 9/10 year olds (Head Coach Rob Horton: rob_horton@comcast.net)
- 11/12 year-olds (Head Coach Jeff Holt: jrholt@bellsouth.net)
- 13/14 year-olds (Head Coach Brandon Tinnon: bctinnon@att.net)

We will have tryouts Saturday, July 16 at JPII at 9 AM. To tryout, you must register your son at www.hendersonvilleknights.com. If your son can't make that date, you may contact the appropriate coach above about the possibility of an alternative date for your son. Tryout attire is shorts, t-shirt and cleats. Make sure your player has plenty to drink. Tryouts will last 2-3 hours.

This is what parents say about the Knights football program:

"This is one of the best learning experiences my son has ever had; in sports and spiritually."

"The Knights Football program taught my son how to overcome adversity, play as a team, be a better person, and be a winner!!!"

For more testimonials about the program go to www.hendersonvilleknights.com.

Beautiful New Facilities: The 2011 season will be played at JPII High School on a new state of the art turf field, allowing players to experience the very best in field conditions. We are also getting new concession stands and restrooms.
