

Capitol Hill Park Development

Community Meeting #3

Seattle Parks and Recreation invites you to a presentation of the revised concept plan for the new Capitol Hill Park. This .39-acre park parcel is located at the northwest corner of 16th Avenue E. and E. Howell Street. In late March 2008, Parks and Mithun presented three draft concepts for public review and comment. Mithun has taken that feedback and developed a revised plan for the new park. The Pro Parks levy provides funding for planning, design and construction of this neighborhood park.

We encourage you to come see the new concept and give us your feedback.

Wednesday, May 28, 2008
7 – 8:30 p.m.
Group Health South Atrium
125 16th Avenue E. ♦ Seattle WA 98122
