The Yearbook committee is looking for a MUCH NEEDED volunteer who would be interested in learning the ropes from the veteran committee chairs this year to pre-

pare to take the lead on Yearbook next year. This person would oversee production, as needed, with guidance from the current chairs. While much of the work is done during the daytime hours, it can be done whenever you choose. Please contact Tina Pitruzzello (635-8066) or Judy Gentile (635-6005) if you are interested.

Thank you everyone who has cut and turned in your Box Tops!! Tara will be sending in a large box at the end of month, and another box in the Spring! Keep Saving and cutting for ECS and WIS!!!!
