*"ProAuPair solved our childcare problems and has allowed me to return to work full time. With two special needs children, I was unsure I would be able to find a nanny or Au Pair with the right qualifications. But ProAuPair put us in touch with two highly qualified candidates right away. I particularly liked being able to review information about the available Au Pair candidates online at the beginning of the selection process. I also thought the process was relatively speedy". Allison, Journalist, NJ*

## Dear Parents,

Finding quality, affordable child care can be difficult for any parent. For those with a special needs child, it can be not only an arduous and stressful task, but also a very confusing and emotional experience. ProAuPair is here to help you. We are an unique professional Au Pair agency that offers Au Pairs who are specially qualified to provide your special needs child with the appropriate care.

Professional Au Pair candidates are degreed, educated, and trained in one of the following:

- Occupational-, Speech-, or Physical Therapy
- Pediatric Nursery
- Special Education Teaching
- Preschool and Kindergarten Teaching a. o.

### How can Professional Special Needs Au Pairs help you?

Like with every child, your special needs child has a window of opportunity for brain development and learning. Whether autism, cerebral palsy, epilepsy, Down Syndrome, PDD, ADHD or other condition, your little one deserves every chance to achieve their potential.

Imagine the benefits of having a dedicated, educated Au Pair with prior experience with special needs children living in your home like family providing consistent, knowledgeable care for very affordable rates.

### What are the costs to host a Professional Au Pair?

The average weekly cost for hosting your Professional Special Needs Au Pair is \$430 per week for 45 hours of childcare. This cost includes the weekly stipend paid directly to your Au Pair (\$250) and the remainder is the annual Program Fee paid upfront. The Program Fee represents the cost associated with bringing in a foreign national in a cultural exchange visitor program for one year.

More details about the fees are available at <http://www.proaupair.com/cost.html>

### What is included in the Program Fee?

- Extensive Pre-Screening and reference/background checking by ProAuPair
- Health insurance and international travel expenses
- J-1 Au Pair Visa and all related agency fees
- Orientation for your family and your Au Pair
- Support 24/7 throughout the year

*"Our Au Pair's strength is the maturity she has, her in-depth knowledge and her concern for our kids. Our Au Pair is committed to doing a great job and the occupational therapy training she received in Germany has been a God send. I am confident and comforted that my daughter is receiving the support she needs." Philips Family, Chicago, IL*
