

# CHAMPIONS: After School Enrichment

SEPT. 12 TO NOV. 1

## **SKATEBOARDING LEVEL 1**

**8 CLASSES FOR ONLY \$100**

This course is designed for students new to skateboarding. Our main focus is FUNDAMENTALS! Our instructors will promote the importance of safety, will teach students how to feel comfortable on their boards, how to take off, balance, turn and stop. Each student will progress at their own pace and will be given ample time to practice. Our goal is to have students riding smoothly and safely with greater control and stability!

*\*Students must provide their own skateboard and protective gear (helmet, knee pads, elbow pads, and wrist guards).*

## **SKATEBOARDING LEVEL 2**

**8 CLASSES FOR ONLY \$100**

This course is designed for students who feel comfortable riding and understand how to ride safely. Our focus is to build on those fundamentals and start learning how to do some cool tricks! Our instructor will assess each student's level and build by showing them how to ride with more speed, how to make sharp turns, do stationary and moving ollies and progress onto more complicated tricks. Each week we will bring out a skate park station that will allow students to practice their tricks on. We will culminate the session by bringing out all the stations students have practiced on and allow them to and show off their new skills!

*\*Students must provide their own skateboard and protective gear (helmet, knee pads, elbow pads, and wrist guards).*
