Room Parent Volunteer 2013-2014

Volunteering as a Room Parent can be a fun and rewarding experience. As a Room Parent, your responsibilities will include:

- Keep the parents in your child's class informed of events happening in the class & school
- Assisting the teachers in planning and carrying out special classroom projects and field trips
- Recruit volunteers to help in-class
- Help with other projects or requests that may arise for your specific class
- Attend field trips if needed

Being a room parent doesn't take much time and we encourage all parents to apply! No prior experience is needed. If you are interested in becoming a Room Parent, please **fill out this form and return no later than Friday, August 23rd.** You can also submit an electronic version of this form here: <http://bit.ly/13vN8Qy>

Note- Room Parents will also need to be current on Live Scan requirements and TB test completed, all of which must be completed by Sept. 13th.

A maximum of three (3) Room Parents per class will be selected and will be notified by Friday August 30th. There will be a short mandatory orientation meeting for all Room Parents on Thursday September 5th, right after drop-off from 8:10a-9a. If you have more than one child, you may apply for more than one classroom. However you will only be selected for one class.

If you cannot commit to organizing for the entire year, or are unable to participate regularly during school hours but would still like to help, you can put your name down as a Volunteer. Volunteers will be contacted by the Room Parents when extra help is needed.

Please feel free to contact the GPA Room Parent Coordinator with any questions.
