

Goethe International Charter School
Intent to Re/Enroll Form
(For Purposes of Requesting Facilities)

Dear Current Charter School Parents/Guardians:

Under California Law (i.e., Proposition 39) the Los Angeles Unified School District must provide the Goethe International Charter School reasonably equivalent school facilities in which to operate our charter school. In order to qualify for these facilities, GICS must provide documentation to the District to demonstrate how many students the Charter School intends to enroll. This form will be used to support the Charter School's application for facilities. By submitting this form, you are indicating that you are **meaningfully interested** in re-enrolling your child/children in the Goethe International Charter School's classroom-based program during the **2012/2013** school year. **It is critical that you take the time to complete this form. Thank you very much for your cooperation!**
