

## ROCKSTAR CLASS SITE: GOETHE INTERNATIONAL CHARTER Session: Fall 2014

Classes will be conducted in one of the K/1 classrooms close to the blacktop area to ensure that transportation time for students to and from class is minimal. In order to better develop musical and performance skills, specific grade levels are assigned to each session with younger kids forming the band in the early session (3:30-4:30) and older kids forming the band in the later session (4:30-5:30).

Please note that children who are not enrolled in E3 but will be participating in the early session must be transferred from the care of their teacher to RockSTAR, you must send a release form to the teacher to release your child to RockSTAR only then the RockSTAR teacher will pick up your child from the teacher line. You or an assigned person will have to pick up your child directly at RockSTAR after the class. If your child is eligible to participate and enrolled in the second session and is not normally enrolled in E3, you must either enroll the child in E3 care for that weekday or personally take care of school pick up and transfer to RockSTAR.

**No children can be left unsupervised on campus also not for the "gap time" until their Rockstar session begins!**

Children enrolled in E3 will be signed in and out by the RockSTAR teacher from E3, there will be no credit for the unused care time with E3 while the child attends RockSTAR. Be sure to advise E3 of your child's participation in the RockSTAR program and authorize the pick up by a RockSTAR teacher. Please indicate on your enrollment if your child is participating in E3.
