Dear Chatham Arch Neighbors,

On behalf of the Professional Firefighters of Indianapolis and the Firefighters Credit Union, we would like to invite you to the Union Hall to discuss our building and development projects. As the final project evolves, we have tried to take into consideration all of your feedback, ideas and suggestions. These meetings on **Monday April 7th at 6pm and Tuesday April 8th at 7:30am** will be an opportunity to continue sharing your feedback about the plans as they currently look.

We look forward to working together to compile a project that will not only meet the needs of our two organizations but will be true to the style and artistry of Mass Ave and the Chatham Arch neighborhood. The Professional Firefighters of Indianapolis have been a part of the Chatham Arch neighborhood since 1984 and during those thirty years we have enjoyed watching the neighborhood grow and flourish. The City's request to relocate the Credit Union has presented an opportunity to continue in improving and developing the neighborhood as a great place to live and work.

Again, nothing has been finalized, but we would like to present things as they currently stand and discuss some potential changes to the original concept. Currently we have been focusing on the Firefighters Credit Union relocation to the west end of the Union Hall, the expansion of the Professional Firefighters of Indianapolis Union Hall to the east toward the point and the "small" parking lot renovation on the north side of St. Clair. There is also the potential to renovate the "bus lot" further north on St. Clair.

We anticipate the project will be heard at the June meeting of the Indianapolis Historical Preservation Committee. In order to get as much of your feedback before this time, you are invited to attend either (or both) of the meetings: **Monday April 7th at 6pm and Tuesday April 8th at 7:30am. Please note that the second meeting is in the morning.** We are trying to accommodate alternative schedules. We are mailing this letter to those closest to the project, but everyone is welcome to attend so please feel free to invite anyone who may be interested.

As our plans begin to take a more traditional and presentable form in the next several weeks, we will make the overview available to anyone interested by either email or hard copy at our offices. Please let us know if you would like to receive a notice when that is available.

Thank you in advance for your participation. The firefighters are proud to be your Chatham Arch neighbor and welcome any feedback you may have.

Sincerely,

Scott A. Williams
