

Operation Feed Our Heroes Food Drive

In Conjunction with St. Joseph Neighborhood Association

DROP by, SWING by, RIDE by, or WALK by Saturday, April 14, 10am-2pm at 10th & Alabama!

The St. Joseph Neighborhood is appealing to the community to re-stock the food pantry for our returning Hoosier veterans this Saturday, April 14. We'll be at the corner of 10th & Alabama taking your food donations from 10am-2pm that day. As we all know, food pantries do pretty well during the holidays, but critical food shortages occur throughout the year.

The Hoosier Veterans Assistance Foundation (HVAF) is re-stocking their shelves with a month-long food drive and Saturday (April 14) is OUR last hooray to collect canned meat for our deserving veterans, **RAIN OR SHINE.**

So, we need your help!

Let's fill our boxes for **Operation Feed Our Heroes Food Drive.**

We're going to make it even more fun & enticing for you!

- **Donate** that day and receive a 10% discount all day at the uniquely awesome Honeysuckle Home Store, right here at 10th & Alabama.
- **And** with a donation of at least a small bag of canned goods, you are **AUTOMATICALLY ENTERED** for the drawing of a \$35 Gift Certificate at Honeysuckle Home, courtesy of St Joe Neighborhood. Read more below about this fascinating neighborhood store.
- **Vets** will be on hand to take donations for their hand-made, hand-crafted book marks to support their annual Recovery day in September to celebrate their accomplishments, milestones and goals in steps towards recovery.

Some of you may know that the HVAF guys annually participate in cleaning our neighborhood streets, and most recently hand deliver the monthly Urban Times newsletter. So let's make this a stellar event and show our support and appreciation. The list below will help you to decide what would be most appropriate to donate. Thanks for caring!

Items Needed

- Soup
- Canned Meat (Tuna & Chicken)
- Peanut Butter
- Mac & Cheese
- Fruit Cocktail Cups
- Pears
- Crackers
- Chili Mac (Canned)

About...

Honeysuckle Home seeks to offer products that are eclectic and not “run of the mill.” We scour the trade shows and design magazines to find merchandise for your home that is of high quality, exceptional value, and beauty. And...we love our Mother Earth! Many of our products are recycled, organic, or otherwise earth-friendly; from items made of recycled glass and yarns to compost pails and reusable bags. (***Honeysuckle Home*** has agreed to be a permanent collection site for your HVAF donations all year long.)

(HVAF is located at 964 N. Pennsylvania, Indianapolis, IN, St Joseph Neighborhood)
