
TO: COLORADO CHEMISTRY TEACHERS
FROM: A.C.S. AWARDS COMMITTEE

The Colorado Section of the ACS will again honor an **outstanding chemistry student** and his/her teacher from your school at its April meeting. This year the meeting will be held **Tuesday, April 19** in the **Colorado School of Mines Student Center, 1600 Maple St, Ballroom B and C, Golden, CO**. Each student awardee will receive an ACS medallion honoring his/her selection. You, your student, and his or her family are invited to attend.

Social hour is from 5:00-6:00 P.M. in Student Center.

Dinner will commence from 6:00 - 7:00 P.M.

Awards at 7:00pm

PROGRAM FOLLOWING

Cost is \$20.00 for adults (parents, teachers, ACS members and guests),

Cost is \$10.00 for students, siblings, children and retirees.

Cost is FREE for the high school student receiving the award.

Checks should be made payable to the **ACS/Colorado Section**. Please **do not** send the check but bring it with you the evening of the **19th**. If for some reason you find that you can't attend the dinner after making reservations, it is **extremely important** that you call or email me by **Fri, April 15** to cancel your reservations. Following the dinner, the program, including presentation of the medallions, will begin at 7:00 P.M.

Please select **only one student** to receive this award for 2016 and return the attached form to me by **Tues, April 12**. If you have a difficult time selecting between two students, you may wish to use some sort of testing device. It is difficult to select one "most deserving student," but it isn't fair to other schools for some schools to turn in more than one name! Note: You may e-mail me this information but I ask that you also mail me a copy or FAX to make sure that I have received the information. Please remember how meaningful this opportunity and recognition is to students. **You do not have to attend the dinner or the award presentation to receive the medallion**, as we will be happy to mail one to your school if you send us the correct information. Many teachers present again these medallions at their own Student Award Night. We will mail the medallions not picked up at the awards ceremony soon after the dinner unless an earlier date is indicated. Elnore will be sending out these medallions for those who cannot attend.

Greta Glugoski , Student Award Chair acsaward@gmail.com

303-246-1603 (Just make sure you email Greta)

INFO NEEDED FOR EMAIL TO GRETA

Please fill in the requested information by, **April 12** When you email me please include the following!

Student's Name: _____(first & last)

Student's Year in School: _____Career Choice if known_____

Student's College Choice: _____

Teacher's Name: _____High School: _____

Address_____ (If sending medal must have)

City_____Zip Code_____Phone number: _____

Your email: _____(IMPORTANT)

Please make (total #) _____reservations for me and my student.

Or we will come to the **awards ceremony** but not the dinner: _____(yes).

We will be unable to attend either the dinner or the awards ceremony, BUT PLEASE SEND NAME OF TEACHER AND SCHOOL TO Elnore and she will send medallion. Elnore does not need student's name and info above.

Retiring chemistry teachers also receive recognition on this night. Do you know of a retiring chemistry teacher in your district who should be honored for their years of chemistry teaching? (Please invite them to the dinner!!) Please let me know and CCTA will pay for their dinner if we know about it...Elnore

Teacher's Name: _____School_____

Years of service & additional information:_____

Email this information to: **Greta Glugoski**

Email: **acsaward@gmail.com**

WE are eliminating the FAX this year, so just email information from form above.

IF you want a medal sent, email Elnore at eagrow@wispertel.net

Guest Speaker for our ACS Award Dinner

"Chocolate: Food of the Gods"

Dr. Howard Peters and Sally Peters

They have been presenting on Chocolate for over 10 years and business card says: "Have Chocolate, Will Travel" They have presented on cruise ships

See map on next page. Ben Parker Student Center is circled in RED. It is #53. As you come into Golden turn east at 19th St. Make the first left (Elm Street) and drive a couple of blocks. You can park on the street or lots after 5pm without charge. Walk over to Student Center and find Ballroom B and C. The address is 1600 Maple Street.
