Do you have a passion for makeup, skincare, or hairstyling? Or maybe you just want to become more confident in your ability. With all of the different influences and trends circulating the media, it's easy to be intimidated by today's beauty world. This course will teach you the importance of maintaining a healthy personal skin and hair care regimen, along with the basics of proper makeup application and hairstyling. We will be learning all about Color Theory, different face shapes, and the importance of light and texture. Whether you are an amateur, a beauty expert, or anything in between, this is for you! By the end of this course, you will feel confident in your knowledge of skincare, haircare, and age-appropriate makeup and hairstyles. Everyone deserves to feel comfortable and confident in their own skin!
