Confidence breeds success! Be it any field: academics, music, sports, cooking etc. people who have talent and confidence become successful. Someone once said: It is as important to be convincing as it is to be right. Building confidence in children so they can express in group setting has immeasurable benefits in their school, personal and professional lives. The students in this program learn how to manage public speaking anxiety, present themselves with confidence, bring emotions, and connect with the audience fluently. In the debate portion of the module they learn how to make strong arguments by providing reasoning and evidence, creating a foundation of critical thinking and essentials of debating. With lot of thought-provoking and stimulating topics and exciting activities to write and speak, it improves their confidence, communication and general knowledge.

### **Building Public Speaking Confidence: 1 - 3 graders**

Tuesdays, 5:00 – 6:00 pm

09/12/2017 - 11/28/2017 (NO CLASS 10/31 and 11/21)

No of classes: 10

Single payment: \$200

Is your child shy or Do they enjoy limelight? This course is ideal for both. It teaches young students the essentials of building confidence in public speaking. Taught using the fun concepts of (don't) show and tell, storytelling (scary and funny stories!), reciting poems, pretend games, this is an excellent class to start developing confidence in young students in a fun way. The participants learn how to stand tall and speak confidently in front of a group. They begin to understand the concepts and importance of maintaining eye contact, good posture, volume and expressions.
