“Bridging Innovations To Maximise  
Commercialisation”

## OBJECTIVES

- Nurture creativity and innovation thinking amongst researchers.
- Display invention/design produced by researchers.
- Protect the Intellectual Property (IP) rights of the idea or invention.
- Enhance commercialisation prospects and market value of UiTM's innovation/invention/products.
- Create an avenue to establish business networking partnership and opportunities to collaborate with industries.

## Greetings and best wishes from Universiti Teknologi MARA, Shah Alam, Selangor, Malaysia !

Invention, Innovation & Design Exposition (iidex2015) is an annual International Exhibition and Competition organised by Universiti Teknologi MARA (UiTM). The focus of iidex2015 is aligned with the third thrust of the National Higher Education Strategic Plan's which is Enhancing Research and Innovation.

With this iidex2015 theme, “**Bridging Innovations To Maximise Commercialisation**”, is set to boost innovation culture among students and researchers, encourage collaboration between academia and industries as well as commercialise innovation and invention.
