- Ongoing Evolution of Earth and all life on her after 2012
- Passages of Self Realization and your purpose in the co-creation of the Earth's New 5<sup>th</sup> Domain World

Seriam Deb Evans is the steward of Eros Dei Dictum, Inc. Life long, she has quested for spiritual truth and wholeness as a divine Soul knowing that one could live fully in cosmic truths while inhabiting a human form. To this end in 2007 she went into retreat for two years on her own and while living in the Eros Seminary where she was mentored by both Eros Co-founders, where she received divine teachings, opened to the cosmic truths from within and came fully home to soul. Unifying soul knowing with her 3D abilities gained in corporate international/domestic finance, sales, and marketing, as a CPA, consulting, film, and workshop facilitator she now focuses all her efforts globally in collaboration with many on the divine upliftment of all life and the evolution of this planet .
