BACK TO SCHOOL

A WORD FROM OUR CHAIRMAN

Welcome to a new school year! Our end of the year meeting, brought many exciting changes. First, we voted to change our name to Christian Home Educators at Heights of Achievement . Our group was founded in 1995 with families from the Anniston area so our acronym stood for Christian Home Educators at Home in Anniston. Now our membership includes families from Etowah, Calhoun, Cleburne, St. Clair and Talladega so this change recognizes our community diversity.

We also said good-bye, for a time, to some hard working, servant leaders: Karen Bush, Paula Smith and Lisa Swinney. We're thankful for the time you gave for the sake of CHEAHA'S children!

Please join me in welcoming our 2015-2016 Steering Committee members:
