## Online Application Guide

### for 2017 Admission into UNISA Master's and Doctoral Programs

---

All UNISA admission applications **are done online**. This document presents what are required for application and a screen by screen guide on the online application process.

**You will go through the following steps to complete your online application.**

1. Access UNISA web and find your qualification of interest. Then read about admission requirements, research focus area, and other details about the qualification. Some departments require contacting professors in advance.
2. Apply for admission: get student number (reference number)
3. Complete admission application
4. Upload your documents

**The following documents are needed for application.**

1. Academic Documents (**\*certified** degrees and student copies of all completed qualifications)
2. Passport OR birth certificate (Must indicate birth date and full name including grand father's name in English)
3. Research outline (Title, summary of topic, Short literature review, expected contribution of the study, methodology to be followed, availability of the data, list of references, why you are interested in the topic)
4. Curriculum Vitae
5. Any additional documents as indicated in the admission requirements for the specific qualification

*\*All academic documents and passport or birth certificate must be certified for being a true copy of the original **before uploading**.*

The documents must be made ready in electronic format (scanned/saved) in your computer for uploading. You will have 10 working days from when you apply to upload your supporting documents. The 10 days do not apply after the closing date for applications. The application period is from 12 September 2016 to 11 November 2016.

**The files to be uploaded for application need to conform to the following specification.**

1. Each document must be uploaded as a separate file.
2. Maximum number of files allowed: 5.
3. Files are not larger than 2MB (2048KB) each.
4. Only black and white documents may be submitted.
5. Only the following file types are allowed: PDF (Adobe Acrobat Portable Document Format file), DOC (Word document file) or TIF (image file)

**In order to be admitted through Ministry of Education sponsorship**, your Home University must include you in a list of nominated applicants and send the list with a formal letter to the Ministry and Unisa Ethiopia Centre. The list to be sent by your university needs to include your full name, qualification applied for, Unisa reference number /student number (that would be provided to you in the online application process), your telephone number, and your email address.

Step by step explanation of the online application process is presented below. Please note that the actual screens and steps that you will get during application could be slightly different. Loading of incomplete documents was a main reason for rejection of many applications in the past. Please upload all required documents.

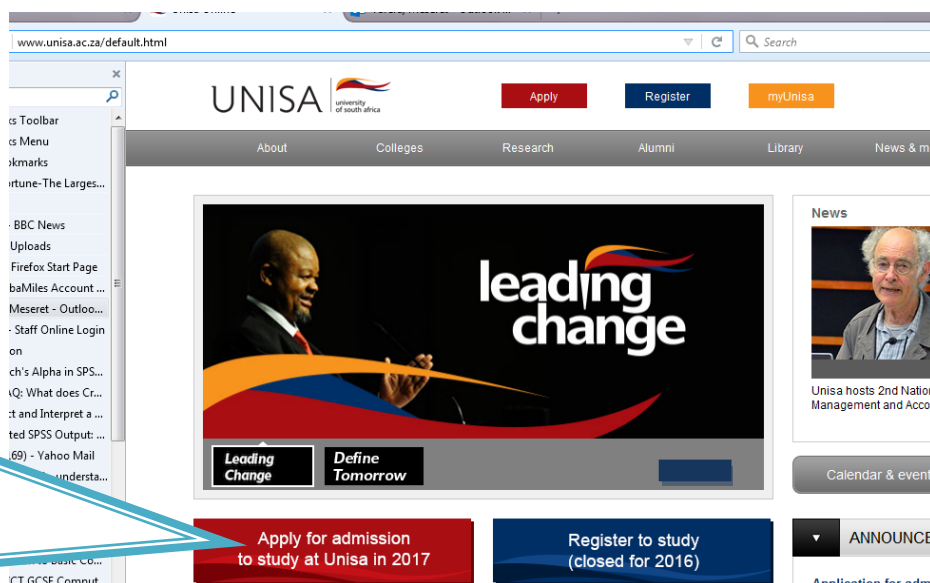

Go to

UNISA website:

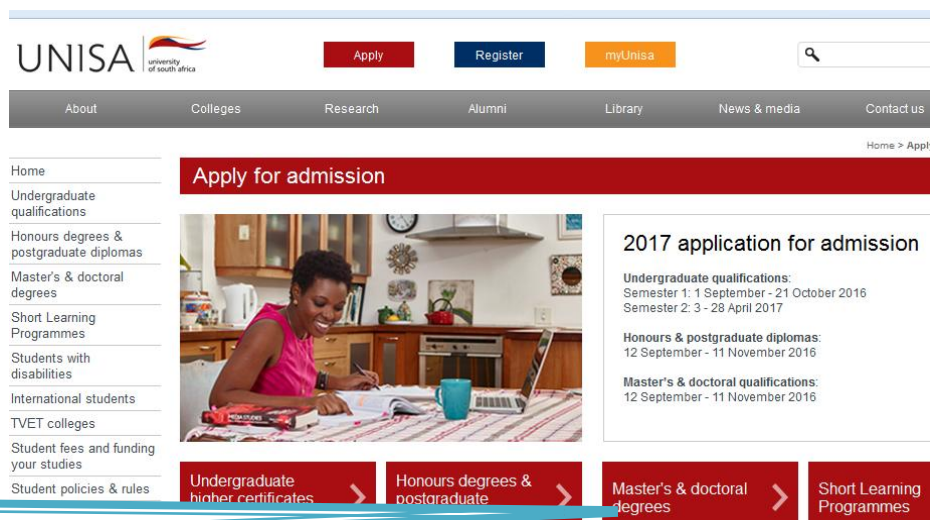

<http://unisa.ac.za>

and click on

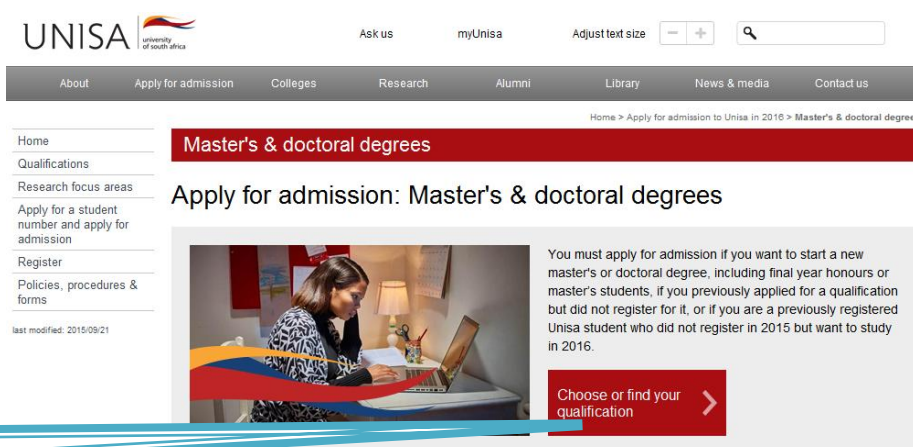

**'Apply for admission...'** to start the online application process.

Select **'Master's & doctoral degrees'**

Click this to choose qualification.

Search your field (qualification) of interest using any of the alternatives approaches given.

After you get the qualification you are interested in, write its name and the five-digit code on a piece of paper for later use.

Click on the qualification of your interest to read about **admission requirements**, **research focus areas**...

Read the admission requirements.

Read the research focus areas and align your research outline with that of professors in your field of interest. Contact professors if needed.

acceptance of a thesis. Coursework may be required as preparation or value addition to the research, but does not contribute to the credit value of the qualification. The defining characteristic of this qualification is that you will be required to demonstrate high-level research capability and make a significant and original academic contribution at the frontiers of the discipline or field. This work must be of a quality to satisfy peer review and merit publication.

## Admission requirements

### Qualification admission requirements

An appropriate Master's of Education Degree with an average of 60%. In addition to the above requirements, applicants must submit a transcript or an academic record, as well as a document describing their intended research. Students will be accepted on the following criteria: Suitability and viability of the intended research; adequate supervisory capacity and research expertise in the discipline or department and an approved selection procedure which is in line with Unisa's policies on equality and diversity in the discipline or department.

### Research focus areas

[Click here](#) to view a list of departments and research focus areas for the College of Education.

### Research outline

Unisa's admission policy has changed and you are now required to submit a detailed research outline for each master's and doctoral qualification for which you apply. No application submitted without a detailed research outline will be considered. Although this research outline may differ for each qualification or academic department, the basic information required is as follows:

Title  
Coursework of thesis

Read the information on this page carefully.

Applicants from Ethiopia do not pay Application fee. Ignore any information or request about application fee.

Click on 'Apply online for a student number' to start your application.

First select "Master's and Doctoral qualifications". Then select "Yes" or "No" and click 'Submit'. No need to pay application fee.

For Ethiopians:

### 1. Application for a student number

#### Who must apply for a Unisa student number?

- You must obtain a Unisa student number if you have never before studied towards a formal qualification at Unisa. Student numbers issued for Unisa's short learning programmes are not valid for formal qualifications. No application or registration will be processed without a valid student number.
- If you previously applied for admission and did not register (for whatever reason), you must re-apply for admission to the qualification.
- You need not re-apply for a student number if you already have a student number for a formal qualification.
- If you took a break in your studies without applying for deferment of your studies, you must re-apply for admission.

#### How to apply for a Unisa student number

Apply online for a student number and pay the non-refundable application fee of R100\* (online payment by credit card is available when applying online).
