

Saturday School Introduces...

Curiosity Academy!

A STEM focused, exciting and fun, hands-on learning experience for elementary (grades 3 to 5) and middle school (grades 6 to 8) students!

The Academy will be held at the Sherwood and Wheaton @ Loiederman Saturday School Centers

Saturdays 8:30 to 11:00 a.m.
March 4, 11, 18, 25 and April 1, 22, 29

REGISTER NOW! Space is limited!
\$150 per student

The **elementary program** is full of adventure with real-world engineering challenges! The program promotes creativity and teamwork!

Kids in the **middle school program** will engineer a better world with engaging activities that relate to real-life experiences.

For more information or to register, contact Saturday School Central Office at 301.287.8980 or

At Sherwood:
