

Law Enforcement and First Responders

Meet & Greet with

**Wednesday,
October 24, 2018**
10:00am - 12:00pm

Come join us as we connect and build positive relationships with local law enforcement, firefighters, ambulance personnel, community groups and exhibitors.

This is an opportunity for people with disabilities to experience the sights and sounds of emergency apparatus in a controlled environment with live demonstrations.

Together we can build a safer community and increase awareness by creating an environment of understanding.

This is an outdoor event on both natural and paved terrain with some inclines. This event has a great deal of standing with moving from one station to another.

Light refreshments will be provided.

Location:
Enterprise Park Police Sub-Station
Mounted Unit

(Located on the same grounds as the Newton White Mansion)
3002 Enterprise Road,
Mitchellville, Maryland 20721

RSVP by October 22, 2018
