On occasion, you, as the insured's representative, may find it necessary to arrange for the issuance of Certificates of Insurance to various entities in order to verify the insurance carried by your client.

It may be your practice to request these Certificates from the Insurer, but in the event you issue such Certificates of Insurance on your own forms in your office, you must accept the responsibility for the accuracy of the Certificates, whether or not you furnish us with a copy. Further, you should not execute the Certificates as authorized representatives of the Insurer or of 'Aviation Insurance Managers, Inc.'

Also, please note that any additional language contained in the Certificate, such as additional insured provisions, loss payees, contractual provisions, cancellation notices, etc., are not acceptable and are not binding on the Insurer unless the policy itself is endorsed accordingly, after obtaining the Underwriter's agreement and 'Aviation Insurance Managers' written confirmation of same.

Please do not hesitate to call our office should you have any questions or concerns.

Sincerely,

Aviation Insurance Managers, Inc.
