Dual Access Lockable Gate Latch

Lokklatch™ DELUXE is a heavy duty gravity latch designed for privacy and security gates. Its super-strong polymers and marine grade stainless steel components make it an ideal gate latch for security conscious consumers and light commercial applications.

Its dual, 6-pin lock cylinders can be re-keyed to match other locks at the home, apartment or commercial property. They can also be master-keyed for maximum convenience.

Lokklatch DELUXE can be locked and unlocked from both sides of the gate. No more running around to the other side of the gate to unlock the padlock or unsightly pull strings – talk about convenient!

Side fixing legs not only make the Lokklatch DELUXE easy to install, they add exceptional strength and improve tamper resistance.

FEATURES AND BENEFITS

- Locks and unlocks from both sides of gate
- Ultra-strong engineering polymers and stainless steel components
- Will never rust, bind or stain expensive fence material
- Horizontally & vertically adjustable – during or after installation
- Dual, rekeyable 6-pin locks for added security
- Drill only one hole through post
- Side fixing legs deliver an easy installation and superior strength
- Fits fence posts up to 6" deep
- Tested to 200,000 cycles
- Limited Lifetime Warranty

SPECIFICATIONS – Dual Access Lockable Gate Latch
