3rd March 2010

Dear Sir/Madam,

Re : Promoting Summer Course on Disaster Medicine and Management 2010

With reference to the above, we, the committee of Summer Course 2010 are organizing a Disaster Medicine and Management Course. We would like to extend our invitation to other medical students, local and abroad.

The following are the details on our summer course:

Date	:	11 th - 23 rd July 2010
Venue	:	Faculty of Medicine, Gadjah Mada University
Objective	:	To instill understanding on the problems faced during and after a disaster and to equip medical students with comprehensive medical skills in managing such situations.
Participants	:	Undergraduate medical students from all over the world.

Hereby, we have attached a poster and leaflet samples to promote our summer course, which we hope to be printed and/or distributed among medical students in the faculty. We do look forward for your participation in this matter.

For further inquiry, you may visit our website www.summercoursegmu.org or contact us by sending an email to inquiry_sumco@ymail.com.

Lastly, we apologize for any inconvenience and we sincerely thank you for your kind consideration. Your cooperation is highly appreciated.

Yours faithfully,

Zikrina Abyanti Lanodiyu
Project Officer of
Summer Course on Disaster Medicine
& Management 2010
