## Sunshine \$20

Ten gorgeous daffodils featured in a half liter clear glass carafe.

Sunshine

## Vision \$35

Two bouquets to arrange as you wish in a clear, 6 inch glass vase.

Vision

## The Gift of Hope®

Gift of Hope donations fund cancer research, education, local patient services, and advocacy efforts. They also allow the Society to deliver bouquets of daffodils anonymously to cancer patients in hospitals, medical centers, and doctor's offices. The daffodil is the first flower of spring, symbolizing hope for those battling cancer. A minimum donation of \$25 is suggested, while donations of \$50, \$75, \$100 or other will help support greater numbers of cancer patients and their families.

## The Bear of Hope®

Comfort a pediatric cancer patient by sending a Bear of Hope. For a minimum \$25 donation, the American Cancer Society will anonymously deliver limited edition Boyds® by Enesco® Bears to children in the community who are receiving cancer care.

Your entire Gift of Hope donation may be eligible for a tax deduction. For all other purchases, the fair market value is 50%. Purchases in excess of fair market value may be eligible for a tax deduction. Your entire Gift of Hope or Bear of Hope donation may be eligible for a tax deduction. Donor names are not included with Gift of Hope bouquets or Bear of Hope bears nor are these items delivered to specific patients.

Product are ordered during January and February, and are available in March. The American Cancer Society reserves the right to substitute comparable product in the unlikely event of breakage or problems with order stock.
