EXPECT MIRACLES TO HAPPEN

Self Mastery Game

I was lucky enough to be involved with a Self Mastery workshop run by Ineke. My sister, who had been to a workshop in the past, recommended it to me, assuring me that it was worthwhile and that I would get a lot out of it. Playing the Self Mastery game was an amazing experience. For me, it was very enlightening, uplifting and emotional. The incredible aspect of this game, is that each of the people in the group, got completely individual, relevant and meaningful messages to help answer their questions. I can highly recommend this workshop and believe that it truly gives people clearer insight, reassurance and guidance from above.

I bought a Your True Essence Clear Aura spray.

This essence has a beautiful aroma and I use this spray when I am feeling a bit down, anxious or if I know that I am going to be in a stressful situation or environment. The spray makes me feel more relaxed and calmer. It also seems to lift my spirits and helps me to feel less negative.

Thanks Ineke

SELF MASTERY

Thank You Ineke for putting on the wonderful SELF MASTERY PLAY DAY. It was such a wonderful day, with likeminded people. I had so much fun and I have to tell you my clientelle doubled the next week!!!! And the next (so just wasn't a one off thing. I received so much direction and knew EXACTLY what I needed to do next. What a fun way to clear "your stuff" and find your own direction. Really loved it.

I did buy a product named AURA CLEAR

I have used many products to clear myself and my clinic (or space)

and this AURA CLEAR is absolutely amazing and smells beautiful and is immediately uplifting.

The other night I was really restless and couldn't settle, so I sprayed myself and my bedroom and quickly fell asleep!!!

Thank You so much Ineke. Stunning product and I love the crystals and the wonderful high energy in a bottle.
