

**Namaste.**

We, at [www.guide2trade.com](http://www.guide2trade.com) are committed to help you grow your investments. We intend to guide you make money either as a short-term trader or as a long-term investor or both.

If you are a short-term trader our advice is based on studies done mostly through technical parameters. This is because we believe, in the short run, prices of financial securities change chiefly on technical grounds. However, if you are a real long-term investor, then our advice is based on fundamental parameters while the timing of such an investment may be guided by technical factors.

We at [www.guide2trade.com](http://www.guide2trade.com) have developed and designed our services and products after a thorough understanding of the needs of the market. We try to cater to the needs of all the people i.e. traders, investors, HNI's, retailers, etc.' The services and products have been developed and designed for helping our clients to achieve the 2 most important objectives of trading in the stock market.
