June 16, 2015

Dear Sir:

Warm Greetings!

The Philippine Society of Mechanical Engineers will hold its 2nd Luzon Regional Conference at Oasis Country Resort and Hotel, Catbangan, San Fernando City, La Union on **July 23-25, 2015** with the theme: **"PSME-Towards Globally Recognized Filipino Mechanical Engineers"**.

The 2015 PSME National Board, through the 2nd Luzon Regional Conference will highlight PSME's important goal to make our Mechanical Engineers globally competitive before the ASEAN FREE TRADE takes effect this year. The Workshop and Technical Papers Committee is now lining up prominent speakers on relevant topics such as Engineering Curriculum Enhancement, ASEAN & APEC Engineer Registry, CPD, RA 8495, and other topics involving the profession.

We encourage all the Mechanical Engineers from the various departments and agencies of government to send their Mechanical Engineers as delegates to be "at par" with their counterparts in private industries and those from abroad.

To make this event successful, we are soliciting your support by authorizing your Mechanical Engineers to attend the 2nd Luzon Regional Conference on official time and expenses.

We expect to attract at least 30 exhibitors that will surely enhance our Mechanical Engineers' technical knowledge to assist local industries, government agencies and departments. There will be enough time allocated for fellowship and networking. This will give the participants the chance to share their experiences with their peers which will redound to their advancement in the performance of their functions. Registration Fees are stated below:

On-site Registration:
Regular Member Php 4,000.00
Lifetime member Php 3,500.00

Early Registration (until June 30, 2015)
Php 3,500.00

Thank you and hoping for your favorable attention to this humble request.

Very truly yours,

(sgd)

Francisco Angelito A. Fontanilla
Convention Chairman

Dindo F. Nicolas
VP Luzon

Pablito C. Ocampo
National President
