Dear _____,

Mabuhay!

The Philippine Society of Mechanical Engineers will be holding the Visayas Regional Conference at Sugarland Hotel, Bacolod City on May 28 – 30, 2015 with the theme: "Filipino Mechanical Engineers Gearing Up Toward Global Recognition".

The 2015 PSME National Board, through the Visayas Region will highlight PSME's important goal to make our Mechanical Engineers globally competitive before the ASEAN FREE TRADE takes effect this year 2015. The Workshop and Technical Papers Committee is now lining up prominent speakers on relevant topics such as CPD Overview and ASEAN Integration, Machine Parts Reconditioning, Genset Design and others.

We encourage all the Mechanical Engineers from the various departments and agencies of government to send their Mechanical Engineers as delegates to be "at par" with their counterparts in private industries and those from abroad.

To make this event successful, we are soliciting your support by authorizing your Mechanical Engineers to attend the Visayas Regional Conference on official time and expenses.

We expect to attract lot of exhibitors that will surely enhance our Mechanical Engineers' technical knowledge to assist local industries, government agencies and departments. There will be enough time allocated for fellowship and networking. This will give the participants the chance to share their experiences with their peers which will redound to their advancement in the performance of their functions.
