Dear

Greetings!

The Philippine Society of Mechanical Engineers (PSME) will hold its **18th SOUTHERN MINDANAO ASSEMBLY** on **August 19-21, 2015** at the **Grand Regal Hotel**, Lanang, Davao City, with the theme: **"PSME... Responding Towards Global Professional Recognition"**.

We have always reserved this occasion as the appropriate forum of interaction among mechanical engineering practitioners in the discussion of issues which are of mutual interest and concern in the government and private sectors, we are certain that this event would give us another opportunity to strengthen further our camaraderie, friendship and unity between and among members, share notes, renew ties, and participate in the free exchange of technical expertise.

In this regard, may we invite you and your Mechanical Engineers, Certified Plant Mechanics and BSME graduates to attend this assembly on official time and expense which would also be an opportunity for them to take part in our Continuing Professional Development Program (please see attached flyer). Participants of this assembly are entitled to Continuing Professional Education (CPE) Units, which are necessary for the renewal of their Mechanical Engineer licenses.
