

The Lum Chang Group has diversified businesses in construction, property development and investments with operations in Singapore and Malaysia. Our construction arm is looking for dynamic team players to join its team of professionals as:

QUANTITY SURVEYOR

Your Role

- You will assist Project Manager in the pre-contract or post-contract and procurement administration of fast-track projects.
- Your job involves project budgeting, controlling of cash flow and cost, processing of claims, contract payments and settlement of final accounts as well as maintaining proper documentation.

The Requirements

- You must possess a Degree or Diploma in Quantity Surveying or Building or its equivalent with minimum 3 years' relevant working experience in construction.
- You should be meticulous, independent, highly motivated, results-oriented, a good team player and be able to work under pressure and meet tight deadlines.

Please write in with full resume, complete with details of qualifications, experience, current and expected salaries to the HR & Admin Manager, 14 Kung Chong Road #08-01 Lum Chang Building Singapore 159150 or email lcbs-hr@lumchang.com.sg. Only shortlisted candidates will be notified.
