Greetings!

With the crisis that the City of Zamboanga is experiencing this time due to the attack of the Moro National Liberation Front (MNLF) to the city, we regret to inform you that more than one hundred ten thousand individuals are affected and numbers of houses at the confined and restricted areas were burned by the MNLF. A number of Donors arrive to assist and sympathize with the evacuees who are now situated to the different 60 evacuation centers in the city.

It is for humanitarian reasons that the ZAMBASULTA chapter appeals to you as we would like to reach out to the evacuees by giving them donations in kinds or in cash.

We would be pleased to receive positive support from your end.

Thank you and more power.

You can send your donation through PSME ZamBaSuLTa Account Number (Allied Bank) 1131006612 or in this address Unit 3, ETC Professional and Occupational Manor, 647-A Mayor jaldon Street Canelar, Zamboanga City, 7000 Philippines.

Very truly yours,
