RE : **NEW PSME NATIONAL EXECUTIVE DIRECTOR**

=====

Dear Fellow Mechanical Engineers,

Greetings!

I am pleased to inform you that we now have a new Executive Director in the person of Mrs. Isabel E. Gile. She has a pretty good supervisory and managerial background particularly in the field of member services and human resources management.

You may now address your concerns to her. Likewise, kindly extend your usual support and cooperation to her office as we aim to further improve our services to the general membership.

Thank you.
