LORENZO P. LARION
PABLITO C. OCAMPO
EDGAR V. ZULAYBAR

MANUEL L. PAULINO
Immediate Past President

November 29, 2013

Attention to: All PSME-MHC Members

The strict implementation of RA 8495, otherwise known as the Philippine Mechanical Engineering Law of 1998, requires that a PME be in place with mechanical installations exceeding 2000 KW thus necessitating concerned RME's to upgrade their license to comply with the law.

In connection with this, the PSME Manila Host Chapter will host a two day Professional Development Course (PDC) at the Philippine Columbian Association, Paco Manila, on December 13 and 14, 2013 at 8:00 AM to 5:00 PM.

This course is geared towards updating its participants not only in their present fields of specialization but also refresh them in the different fields of mechanical engineering which may be the source of some questions for the 1st oral examination.

A reasonable Seminar Fee of 5,000.00 pesos shall be charged per participant. This shall be inclusive of 1 lunch and 2 snacks per day, handouts, CD's, etc. containing all the subject matters.

To have a better understanding of the PME oral examination, we invited the BME Chairman to be our guest speaker during the final day of the course.

For further inquiries, kindly get in touch with the PSME Manila Host Secretariat at telephone Number 493-7090/0935-8942869/0939-2742268 and look for Ms. Sarah Jane Caluyo.

Very truly yours,

Engr. Alexander A. Vergara
President
PSME Manila (Host) Chapter

Engr. Nestor Bernardino
Committee Chairman
PSME Manila (Host) Chapter
