Honorable Mayor _____
City of Makati

Subject: Invitation to the 62nd PSME Annual National Convention

Dear Honorable Mayor _____ :

The Philippine Society of Mechanical Engineers will hold its 62nd Annual National Convention at SMX Convention Center, Pasay City on October 22 to 25, 2014 with the theme: "PSME- Our Prime Mover to Achieve Global Recognition".

The 62nd NATCON will highlight PSME's important and continuing objective of making Filipino Mechanical Engineers become globally competitive in view of the forthcoming ASEAN 2015 Integration. The technical seminars, workshops, exhibits and plenary talks we have lined up will help them achieve this objective. It is expected to attract more than 2,500 members from the 75 & 11 local and foreign chapters and more than 3,100 ME students who will participate in the 4th PSME National Student Conference. The four day event will also include a trade exhibit – 4th Philippine Machinery Exhibition (4PhilMach) – that will showcase the latest technology trends to be presented by topnotch manufacturers and practitioners. These presentations and exhibits will provide our Mechanical Engineers the opportunity to upgrade their skills and technical knowledge.

It is in this light that we earnestly ask you to support our 62nd Annual National Convention by allowing all of your Mechanical Engineers in different departments they are assigned to participate in this worth the value Convention. Aside from the requirement of the Philippine Regulations Commission (PRC) to acquire 15 Continuing Professional Development for them to renew their professional license, we are also convinced this is the best opportunity for them to interact with those in the industry and the global community and align their expectations with those in the academe.
