ABOUT US:

ATTICARCH is a multi-disciplinary Consultancy Firm, providing Architectural, Interior Designing and project management services to domestic and corporate clients. Since our establishment in 2002 we have come a long way in providing an array of Architectural services and consultancy services to our Clients.

ATTICARCH as a firm was started with the sole aim of providing a One stop solution for Clients who are looking for various Architectural & Interior Designing solutions to suit their Budgets.

SCOPE OF WORKS:

1. Architectural Consultancy Services.
2. Interior Design Consultancy Services.
3. Project Management Services.
4. Contracts & Turnkey Interior Solutions.

WHY CHOOSE US:

ATTICARCH as a firm believes in basic 3 Principals namely:

1. **Quality:** Maintaining Highest Quality standards in our Projects.
2. **Time Lines:** Finishing any project within the agreed time is our another top priority.
3. **Budgets:** Working within the Client's Budgets & proposing suitable solutions is one of our main strengths.

Our Team believes in following these principals in every project we undertake. We area also a successful & emerging brand because of the following:

- We are fully committed, creative and practical, able to work within budget.
- We have a strong working knowledge of local practice, contractors and suppliers.
- Regular trade contractors / suppliers who understand our expectation of high quality.
- Excellent Project and construction management Skill to ensure timely execution of project within cost and quality.
- Ability to provide turnkey solutions hence offering faster response.

OUR APPROACH:

At ATTICARCH, We offer a complete turnkey solutions for residential and commercial interiors, including all or any combination of the following:

- Identifying the project objectives with the client clarifying and building the brief with the client, including timelines and budget.
- Space planning
- Concept design
- Detailed drawings
- Finishes, color and material selection and specification
- Onsite consultation and liaison with contractors and suppliers
- Final quality control inspections/snagging and remedial action

In addition to key client considerations of time and cost parameters, and spatial and operational drivers, we pay equal attention in creating aesthetically pleasant and functionally reliable spaces.

THANK YOU

Hoping to meet you soon
