

***"Audit the Fed" Petition to Representative \_\_\_\_\_***

**WHEREAS:** Congress, the Federal Reserve, and the U.S. Treasury have put the American taxpayer on the hook for over **\$12 trillion** in bailouts and loans; and

**WHEREAS:** *Federal Reserve Chairman Ben Bernanke recently **refused** to tell Congress who has received trillions in these funds from the Federal Reserve; and*

**WHEREAS:** *Allowing the Fed to operate our nation's monetary system in almost complete secrecy leads to abuse, inflation, and a lower quality of life for every American; and*

**WHEREAS:** *Congressman Ron Paul's HR 1207, the Federal Reserve Transparency Act, would require a full audit of the Fed for the first time in its history and would provide answers to the American people about how our money is being spent;*

**THEREFORE: It's time to hold the Federal Reserve accountable to Congress and the American People. I urge you to immediately cosponsor HR 1207!**
