

IN LOVING MEMORY OF DATO' JOHN DAVID CARDOSA  
4.6.1927 - 6.10.2011

Mary Yee Hah Cardoso took up Chinese Watercolour painting a year after her husband, Dato' John Cardoso, passed away. An octogenarian, Mary had never done any painting before and she taught herself to use this medium through reading watercolour painting manuals and watching YouTube videos. These cards are from paintings Mary has produced over the past year.

The cards have been donated by Dato' Cardoso's family to the many different hospices, and other NGOs which he loved and to which he devoted his time and effort for over forty years. All proceeds from the sale of these cards will go to these organisations.
