

Meeting all challenges head on

As a frontrunner in the offshore oil & gas industry, SBM Offshore plays a pivotal role in providing FPSOs deepwater systems and services. Through our workforce of over 5,000 employees representing 40 nationalities in 15 countries, we have established our presence as a global leader in cost-effective technical solutions.

As one of our four Execution Centres alongside Monaco, Schiedam and Houston, our hub in Kuala Lumpur has helped us gain a strong foothold in Malaysia. With a total of more than 300 dedicated employees, we have strived to raise the benchmark of marine technology for the past 3 years.

We're marking our 50th year in the industry, and we're proud to be where we are today. If you want to be part of our success, you're invited to join us in the following positions:
