

# COMMUNIST PARTY (MARXIST – LENINIST)

FROM  
ROMANIA

## FUNDAMENTALIST THESIS

1. **Communist Party (ml) of Romania** is an organization Communist nationalist fundamentalists, the “gun” of the poor against the rich, the political and organizational arm of the New Proletarian Revolution.
2. **Communist Party (ml) of Romania** will drive away the bosses from the communist movement, the new aristocracy away of the labor movement, the privatization parties away from the movement socialist and the capitalism away the Romanian society.
3. **Communist Party (ml) of Romania** will fully expropriate the New bourgeoisie of the Era of Ceausescu and post-Ceausescu and will abolish the private property.
4. **Communist Party (ml) of Romania** will establish the pluralistic socialism, the egalitarianism, the direct democracy, the self-management labor force and the planned competitive economy.
5. **Communist Party (ml) of Romania** will guarantee to all citizens a place of work, a minimum wage, state housing, free education, free basic health care.
6. **Communist Party (ml) of Romania** will institute a 4 / 1 ratio between the maximum and minimum wages, will prohibit the confidentiality of wages and will suppress the multiplicity of functions.
7. **Communist Party (ml) of Romania** rejects the worship of personalities and the elites; it will transform the politics, taking it away from the professional area, and will impose the proportional representation of the working classis.
8. **Communist Party (ml) of Romania** will separate Church and State - ultimately transforming churches into museums, will fight against pollution and moral decay, including via the execution of criminals, homosexuals and traitors of the country.
9. **Communist Party (ml) of Romania** marching in the footsteps of martyrs such as Tudor Vladimirescu, Avram Iancu, Mihai Eminescu, struggles for the security of Romanian spirit, for the Great Romania, for the return of Bessarabia, Bukovina, Herta County, and the Quadrilateral to the Motherland , it strives for "Romania for the Romanians, only for Romanians and of all Romanians".
10. **Communist Party (ml) of Romania** will proclaim the country non-integrated and non-aligned into the globalized capitalist structures and will promote the solidarity between all popular forces which fight for social and national freedom from all over the world, united under the flag of the Permanent Revolution, in the Marxist Leninist way: Trotsky - Mao - Che Guevara
