SEEDS:

We also have seeds, for details call 0752-726247

JOINING THE ENTEBBE FAMILY FRUITS MODEL:

What is the Entebbe Family Fruits Model? This is a colonial administrators scheme that was introduced in Entebbe between 1952-1962, where every household had to plant fruit trees in their Compound, that includes Mangoes, Oranges, Avocados, Guava's, Pawpaws, Kibera etc, till today when you come to Entebbe, in every compound you will see these fruit trees e.g. in Manyara, Botanical zone, Manyara, Bugonga, Kinyarwanda, Kiwafu, Kitoro, Lugonjo, Virus, Nakiwogo etc.

FOR ALL YOUR INQUIRIES, AND ORDER PLACEMENT, PLEASE CALL 0776-200002, 0752-200003 OR WHATSAPP 0793-200002.

TRANSPORTATION: We offer free transportation for seedlings above 5,000 within a radius of 50Km from Kampala, and Free transport for 10,000 and above for a radius of 150Km from Kampala. Any distance above 150Km from Kampala on the above we charge you 50% transportation cost.

REPLACEMENTS (BEATING UP):

For Eucalyptus & Pine seedlings, after planting we give you 50% free seedlings on mortality rate, for example if you bought 5000 seedlings and 1000 died after planting, we give you 500 seedlings for free and you pick them yourself the following season (Terms & Conditions apply)

Every Tree Counts!
